INSPIRATIONAL QUOTE

The strongest temptation cannot excuse sin. However great the pressure brought to bear upon the soul, transgression is our own act. It is not in the power of earth or hell to compel anyone to do evil. Satan attacks us at our weakest points, but we need not be overcome. However severe or unexpected the attack, God has provided help for us, and in His strength we may conquer. In the hour of greatest need, when discouragement overwhelms the soul, then it is that Jesus comes very near. The hour of man's necessity is God's opportunity. He sees our danger and provides help for us....The happiest people in the world are those who trust in Jesus and gladly do His bidding. He is the light of life....Though they meet with trials and difficulties, their lives are full of joy; for Christ walks beside them, and His presence makes the pathway bright. ~ T 9.181~
