**Diamond Lake church is sponsoring a 5th annual Survival Skills Event at the Neuharth property in Newport on May 31 from 10am-5pm.** This year it will be renamed "Free Self-Reliance Skills Fair: Natural Health, Homesteading & Sustainable Living. The 30+ presenters are from a large area, and we want to make sure to include our local talent. Each presenter must teach a free skill, but may also sell their products. For example, you can teach how to make cumfrey salve, and sell cumfrey plants and salves. Hundreds of people attend the event, and presenters keep coming back due to divine appointments. This is a great evangelistic opportunity. If you would like to share your unique skill with the community, volunteer, or help advertise, please contact LeAnn Knipple at 509-860-4792.
