INSPIRATIONAL QUOTE

Happiness is composed of little things and great things.... If we would become like Christ and receive His fashion of character, we must in little things train the soul to daily progressive sanctification... the Lord is dealing with our souls.... Not now and then, but constantly the new life is implanted by the Holy Spirit after Christ's likeness. Acts make habits and habits constitute character. There is no fear of overlooking great things, but there is peril in overlooking and undervaluing little things. God is the God of the whole man, and the little things are essential. God is a God of the whole man, and not a God of the part. He made all, He redeemed all, and He must be served in all, and then He will bless all... Our entire life will then be glorified, and every breath, every sound, every touch will be peace and light and happiness. ~HP 66~
