INSPIRATIONAL QUOTE

God trains some by bringing to them disappointment and apparent failure. It is His purpose that they shall learn to master difficulty. He inspires them with a determination to make every apparent failure prove a success. Often men and women pray and weep because of the perplexities and obstacles that confront them. But if they will hold the beginning of their confidence steadfast unto the end, He will make their way clear. Success will come to them as they struggle against apparently insurmountable difficulties; and with success will come the greatest joy. BLJ 73
