**SDAbnb** is an SDA nonprofit ministry. Adventist hosts from around the world share their hospitality by offering rooms, rides, Sabbath meals, and more to other Adventists that are passing through their area. Most of the time, these members offer this for free in the name of being hospitable! It's free for SDA members to sign up, and free to put a listing up. We are encouraging everyone to put some type of listing up, whether a spare room, or offering Sabbath meals, or anything they are able to do. Also, when your members travel, they will be able to connect and stay with fellow Adventists who are hospitable. [SDAbnb.org](https://SDAbnb.org)
