INSPIRATIONAL QUOTE

When you are troubled with doubts, and darkness compasses your own soul, the very best course you can pursue to get out of this darkness is to help someone else who is discouraged. As you try to lift others up, behold, you lift up yourself into close connection with God. As you show kindness to others you will help yourself, for the same will be reflected back upon you. The man who has the most of Christ in the soul will manifest the tenderest sympathy for the souls who need help.... ~HP 289~
