"The Call Of A Prophet"

I heard the voice of the Lord, saying:
"Whom shall I send, and who will go for
Us?" Then I said, "Here am I! Send me."
"In beholding his God, the prophet had not
only been given a view of his own unwor-
thiness; there had come to his humbled
heart the assurance of forgiveness, full and
free; and he had arisen a changed man. He
had seen his Lord. He had caught a glimpse
of the loveliness of the divine character. He
could testify of the transformation wrought
through beholding Infinite Love. Henceforth
he was inspired with longing desire to see
erring Israel set free from the burden and
penalty of sin." *Isaiah 6:8, CC 235*
