

PERMISSION TO LEAVE SCHOOL GROUNDS

School Year: 20__ - 20__

I give permission for my child to leave the school grounds while accompanied by the teacher, aide, substitute teacher; or if in a group led by one of the aforementioned, with a responsible adult driver/caregiver approved by the principal.

It is understood that such permission is granted for the purpose of such things as a day field trip, library visit, nature or P.E. walks, school related trips to the local store, ect.

We will always inform parents ahead of time of these events. This form is meant to cover those times when a child may have forgotten his/her special permission form.
