This week, prepare for the Communion Service next Sabbath.

"The Bereans...were willing to investigate the truthfulness of the doctrines preached by the apostles. They studied the Bible, not from curiosity, but in order that they might learn what had been written concerning the promised Messiah. Daily they searched the inspired records, and as they compared scripture with scripture, heavenly angels were beside them, enlightening their minds and impressing their hearts. ...If, in the closing scenes of this earth's history, those to whom testing truths are proclaimed would follow the example of the Bereans, searching the Scriptures daily, and comparing with God's word the messages brought them, there would today be a large number loyal to the precepts of God's law, where now there are comparatively few. But when unpopular truths are presented, many refuse to make this investigation..." Acts of the Apostles, p. 231, 232
