ANNOUNCEMENTS

Welcome to worship!

We will do the Revelation study following church today.

The church board meets tomorrow.

Stay safe during this hot weather. Drink water.

"The relation that exists between the mind and the body is very intimate. When one is affected the other sympathizes. The condition of the mind affects the health to a far greater degree than many realize. Many of the diseases from which men suffer are the result of mental depression. Grief, anxiety, discontent, remorse, guilt, distrust, all tend to break down the life forces and to invite decay and death. Disease is sometimes produced, and is often greatly aggravated by the imagination. Many are lifelong invalids who might be well if they only thought so...

Courage, hope, faith, sympathy, love, promote health and prolong life. A contented mind, a cheerful spirit, is health to the body and strength to the soul.

Gratitude, rejoicing, benevolence, trust in God's love and care—these are health's greatest safeguard." My Life Today, p. 151
