- Oct. 23 Farmland Adventures Schoolwide Field Trip
- Oct. 25 **VESPERS/GLOW RIDE 7:00-9:00 PM**
- Nov. 8 Education Sabbath at Gentry SDA Church

Pre-K

Mrs. Joanna Davis

Our Bible story this week was about Moses and the burning bush.

Our letters- D and N
Numbers- 11 and 12

I am looking forward to seeing everyone at their teacher conference on Monday.

With the 2nd quarter starting, we will be adding more to our learning.

Kindergarten Mrs. Yossy Castillo

Just a few reminders for next week: On Monday, October 20, we will not have classes because of Parent-Teacher Conferences. Please check your scheduled time to help us stay on track and respect each parent's appointment.

On Thursday, October 23, students should arrive at the regular time, 8:00 a.m., wearing their blue OAS shirt and jeans. You should arrive at the school between 10:30-10:40 because dismissal for the Farmland Adventure will be at 10:45.

If you haven't sent the field trip slip yet, you may bring it on Monday during the Parent-Teacher Conference or send it on Tuesday.

I'm sending a small book each week for you to read with your child. Remember that reading is important for their learning.

Bible: We will discuss promises and passages in the Bible that show the qualities of God's character.

Phonics focus for the week: Consonant digraph /sh/ (shock, shout, hush, blush).

Math: We are learning how to describe, build, and draw shapes with defining attributes and compose two- and three-dimensional shapes to form new shapes.

Science: God designed a plan for healthful living that leads to optimum spiritual, physical, mental, and emotional health.

Social Studies: We are learning about different kinds of maps and what maps can show us. Look in your child's take-home folder for a reading log, which will be due next Friday. Your child will earn DoJo points for turning in a completed reading log on the due date.

1st Grade Mrs. Bonny Baldrige

Memory Verse: "I love the Lord, because he hears my voice and my prayer for mercy. Because he bends down to listen, I will pray as long as I have breath." Psalm 116: 1,2 NLT

Please practice the treasure verse with your child at home. This will be the verse we recite for Education Sabbath.

2nd Grade Mrs. Jamie Short

This week in Language Arts, we finished reviewing all the vowel teams and introduced prefixes in Phonics. In shared reading, we used the Cactus Hotel book to practice answering text-dependent questions using complete sentences that restate the question. In writing, the students finished and shared with the class their realistic stories.

Next Week's Lunches: Mon. 20th NO SCHOOL Tues. 21st Pizza Wed. 22nd Vegeb主rgers Thurs. 23rd Field Trip

In math, we learned how to add three 2-digit numbers and tested addition with regrouping. Next week, we will begin working on subtraction.

In Science, we have been talking about how we communicate and mental health as we continue studying the nervous system.

In Bible, we talked about Red Ribbon week, kindness, and what kind of person we want to be (kind, loyal, etc.).

3rd & 4th Grades Mrs. Hayli Enochs

Hi Families, we have a few things to remember for next week...

Monday, October 20, is Parent-Teacher Conferences. Your child is looking forward to participating in our conference, so if you haven't signed up yet, please do so! I think we only have a couple of families that still need to sign up! I'm looking forward to meeting with each of you!

Thursday, October 23 is our school-wide field trip! Our class still needs a couple more drivers. Please help! Students should arrive at 8 AM wearing blue jeans and their blue OAS T-shirt.

Please make sure your child is reading to you every evening.

Thank you again for blessing me with your child this year. I love each one so much!!!

5th & 6th Grades Mrs. Tania Miller

Dear Parents/Guardians,

Next week, on Monday, there is no school as it is Parent/Teacher conferences. I can't wait to talk to all of you about the wonderful things your child is doing in the classroom!

Thursday is our school-wide field trip to Farmland Adventures. Please make sure your child comes to school with a sack lunch that does not require a microwave.

Due to parent/teacher conferences and our field trip next week, we will not have a spelling test next Friday as there are only 2 instructional days next week. We will continue word study, just in a different capacity.

Reading: Please encourage your child to read every night for 20-30 minutes. Every quarter, students are required to read 15 AR points in the library; the end of the quarter is October 10th. Also, please take note that our second **book report is due Friday, October 31.**

Bible MV Verse:
(This was last week's verse; we needed another week to master it)
"When you go through deep waters, I will be with you. When you go through rivers of difficulty, you will not drown. When you walk through the fire of oppression, you will not be burned up; the flames will not consume you. For I am the Lord, your God, the Holy One of Israel, your Savior...." Isaiah 43:2-3a NLT

7th & 8th Grades Mr. Ethan Reid

Hi families,

We had fun on Color Day and enjoyed helping the younger students on our teams. We also used Red Ribbon Week to strengthen our good choices to say NO to drugs.

I look forward to meeting with you at our parent/teacher conference times. Remember, there is NO school on Monday.

We have our first schoolwide field trip on Thursday to Farmland Adventures. Students can wear OAS field trip shirts and/or their OAS hoodies with jeans for our field trip.

In math, seventh grade is tackling converting between decimals and fractions. Eighth grade is learning the algebra behind how to move shapes around on a graph.

In language arts, we are deep into our Desmond Doss book and are plotting out main points and concepts from the book in outlines.

In Bible, we are learning about God's covenant with us because of His covenant with some of the world's first people.

In social studies and science, we're having fun discussing things from the creationist and naturalistic perspectives.

We had lots of fun this week in and outside the classroom.

We didn't quite have enough \$\$ to purchase our new digital sign out front, so we are praying and planning to use what we receive from the Glow Ride to complete that purchase. Help us reach our goal!! Thank you for your continued support of Home & School!

Our new date for the **Fall Fest** is Thursday night, November 20. Save the date! More details are coming!

OAS STEAM TEAM

From the Dinobots: This week, we nailed down our problem, worked on the finishing touches, and are getting ready for competition.

From Indiana Bones:

As you may know, our innovation project focuses on the lack of public interest. We researched it and spoke with professionals. Funding is also a big problem, along with looting. If people knew the importance of archaeology, there would be more funding, less looting (People just think that some old pottery and stuff might make some money, so they steal it without knowing the importance of it, and how it could change the archaeological world.), more employment and overall better understanding. Our solution is to make an app and publish a Wikipedia article.

Our game table is coming together very well. We are coding in python this year, and have already coded several missions. Thank you for reading.

OAS SPORTS

Soccer
