Step Challenge

We are continuing for the month of April. Please keep recording your steps! This is part of our health initiative. Parents, we hope you are joining us in the step challenge!

Pre-K

Mrs. Joanna Davis

☀️🌸💜 Have a wonderful Spring Break!

💜 Please remember to help your child practice spelling their color. We worked on this for our program this week, but many of the children are still learning and need a little extra practice at home.

Upcoming Events:

• April 16 (Thursday): Early dismissal at noon. Please return to school at 5:45 PM for our Spring Explorium program. Students will need to know how to spell their color.

• April 18 (Saturday): Education Sabbath at Springtown

• April 19 (Sunday): Fun Run

Mrs. Hayli Enochs

Dear Families,

As we head into spring, our schedule is quickly filling up! April and May are busy months, so please be sure to check your calendars regularly to stay up to date on important events and activities.

Over spring break, students should continue working on their Spring Explorium projects—both the written portion and the physical artifact. These projects should be completed and brought back to the classroom by April 13, ready to be presented at our Spring Explorium on April 16.

We are excited to see all the hard work and creativity our students will bring!

Other than that, we hope you have a wonderful and restful spring break. Enjoy this special time with your families

Blessings, *Mrs. Enochs*

Volcano Project Reminder
This is a friendly reminder to continue working on your volcano project.

The project will be due shortly after Spring Break (April 14th) and we will be showcasing your work at the Spring Explorium Open House on the evening of April 16th.

***Grade reports** have been sent out in student folders. Missing assignments are listed on the grade reports at the bottom. Students are encouraged to take home incomplete assignments this weekend and return them when we get back next Monday (after Spring Break). Please sign the outside of the folder to show you received the grade report and graded papers for this week. You may keep the grade report at home.

Bible Memory Verse:

“If you keep quiet at a time like this, deliverance and relief for the Jews will arise from some other place, but you and your relatives will die. Who knows if perhaps you were made queen for just such a time as this?”
Esther 4:14 NLT

Have a fun and safe Spring Break Blessings.

7th & 8th Grades Mr. Ethan Reid

We made it to Spring Break! It’s been a full stretch lately, and the students have been working hard right up to the finish.

The 7th grade just wrapped up their latest math chapter and completed their test—really proud of the effort I’ve been seeing from them.

Students are heading home with their science research project packets today. This is the project where they get to explore a topic they’re actually interested in and present it on a trifold board. It’s due Tuesday, April 14, so they’ve got break time to chip away at it little by little.

As we start heading into the final stretch of the school year, I’ll be sending out more info soon about graduation and other end-of-year activities—lots of fun things coming up.

Also, **we still need a male chaperone for the 8th-grade mission trip to Camp Yorktown Bay (May 11–15)**. If you or someone you know might be available, please reach out to me—I’d really appreciate it!

Hope you all have a great, restful Spring Break. Enjoy the time with your families, and we’ll see everyone back ready to finish the year strong!

– Mr. Reid
