Thank you for your continued support of Grace Fellowship. This past year has brought financial challenges across the country, and our church has felt those same pressures. As of April 30, our income is slightly ahead of expenses — a blessing we do not take for granted.

As we move into the summer months, we invite our church family to continue giving faithfully so that our ministries can remain strong.

"They gave as much as they were able, and even beyond their ability." —
2 Corinthians 8:3
