

"All your children will be taught by the Lord,
and great will be their peace."

Isaiah 54:13

What sets PMCS apart?

Would you like ...

- ... Individualized instruction for your student?
- ... Academically friendly teacher student ratio?
- ... An environment dedicated to developing Christ-like character?
- ... An education with a family oriented environment designed to set your child up for future success?
- ... A school that involves students in community service projects?

If so, check out Pine Mountain Christian School!
Visit us in person or on our Facebook page to see what fun opportunities PMCS has to offer. 

Need based scholarships are available.
Contact the school for more information
at 906-779-7640.

Schedule a Tour

We understand that choosing a school for your child is a big decision. We have many wonderful schools in our community, but based on your child's needs and your family's priorities, some may be a better match than others. Our principal is here to help families decide if our school is a good fit for the goals they've set for their child.

We invite you to schedule an Education Success Consult and/or Tour to learn all you need to know in order to make the best choice for your child. We look forward to meeting you!

Growing Spiritually

We exist to help students grow in their love for Jesus. While spiritual growth can't be measured and quantified with numbers, we do see it happening every day. It starts with our commitment to making Christ the center of all we do—not just the subject of a single Bible class. This commitment continues through our focus on the Bible as the sole guide for our beliefs and behavior as Protestant Christians. We invite you to visit our school and experience how our teachers and staff model their love for God and nurture it in our students. Jesus said, "Let the little children come to me..." (Matthew 19:14)

Growing Physically

Making healthy choices is a way of honoring our bodies as the temple of the Holy Spirit (1 Corinthians 6:19). Plenty of research documents the importance of healthy bodies in developing healthy brains, so we include learning about taking care of our bodies with daily exercise, good sleep, healthy eating, and more. To see how we integrate wise lifestyle choices into our curricula, come visit our school.

Growing Academically

Our goal is to develop Christians with wisdom, not only knowledge, so we've structured our academic program to put God first and we find that this results in students who grow academically at a higher rate than their peers in other schools. It really is true that when we "seek first the kingdom of God and His righteousness, all these things will be added unto you." (Matthew 6:33)

Growing Socially

Jesus tells us to love and serve one another. At PMCS, staff and students practice this daily as we interact with each other. As we reach out to our community we are guided by Paul's words, "Be completely humble and gentle; be patient, bearing with one another in love." (Ephesians 4:2) While we are not perfect, we are constantly aiming to be more Christ-like with each other and to serve our community in love and joy.
