Announcements

- **SEPTEMBER POTLUCKS: 12TH AND 19TH**
- **Today: HEALTH FAIR BRIEFING** - Please plan to meet with Aaron and Sally briefly right after the church service in the library, room 101, for approximately 20 minutes. This is an important meeting to review the information that we will be sharing with the community at the fair booth about the Mental Health Recovery Program that our church will be hosting this fall. During the meeting, we will review Dr. Neil Nedley's introductory video for the Mental Health Recovery Program and discuss how to share information about the program with those who may be interested. We will also go over how to encourage interested individuals to attend our upcoming information and registration session. The information and registration session will be held September 1st at 6:00 p.m. at the Kettle Falls Church. Attending this session is important, as we will provide additional details about the program and complete registration. **We are still in need of some time slots filled for manning the booth at the fair.**
- **Today: HELPING HANDS** - be a part of Helping Hands to meet our community. After the Health/Fair briefing we will eat our sack lunch, and then we will set up the Canopy in front of the Kettle Falls Public Pool to meet our community.
