## KEY CONCEPTS

“For safety reasons, mountain climbers rope themselves together when climbing a mountain. That way, if one climber should slip and fall, he would not fall to his death. He would be held by the others until he could regain his footing. The church ought to be like that. When one member slips and falls, the others should hold him up until he regains his footing. We are all roped together by the Holy Spirit”

MPGreen Illustrations for Biblical Preaching p 66  
This is the expected behavior of every follower of Jesus.
