KEY CONCEPTS

Paul, in Colossians 4 counsels us to be vigilant in prayer being the best way to reach others. Then Paul says we should be wise in our walk (or behavior) toward others and to be gracious in speech, courteous and kind to show Jesus love.

“Sharing about relationships, family is not simply people but a spirit of oneness. It is a spirit produced through loving and longing, laughter and tears, shared joy and sorrow, mutual struggle and respect, faith and joy and sorrow. . .faith and faithfulness, and a common pursuit of worthy goals” H. Hobbs.

REAL LOVE

LOVE has the effect of opening us back up as a flower turns to the sun.

WE ARE SUSTAINED BY THE MERCY OF GOD

We need one friend to give us a gentle squeeze; or skin to skin hand shake.

We are wired for eye contact with someone who cares and loves us.

We love Him (Jesus) because He first loved us.

To be fully known and fully loved simultaneously is the essence of our healing.
