### KEY CONCEPTS

We pray because we know that God hears our voice, and because we also know that He will respond to our prayers. Our prayers are, therefore, essentially a response to God, who took the initiative to bring us back to Himself. How significant, then, that worship in the book of Psalms, which contains the prayers of ancient Israel, is described as a response to God, the Creator, who is the giver of life. It is through prayer that our spiritual life survives. Ellen White says: "Prayer is the breath of the soul."

## SABBATH BLESSINGS

*HAPPY MOTHER'S DAY !!*  
*to all our mothers*  
*and our mothers who teach*  
*in our Sabbath School*

**Mom:**

You held my hand, you wiped my tears  
You prayed for me throughout the years  
With every trial you helped me stand  
By lifting me with loving hands.

You taught me how to seek God's grace  
To walk on faith, to run the race  
You showed me love, both strong and true  
Reflecting Christ in all you do.

When I was weak, your prayers were strong  
You pointed me to where I belong  
You planted seeds that now have grown,  
Because of faith that you have shown.

Mom, you are a gift from above  
A vessel of God's endless love  
On this day, I give God praise  
For guiding me through your gentle ways.

Mothers are like buttons .  
They hold everything together.
