KEY CONCEPTS

The basic lesson we learn from the fall of humanity is simply this: because humans have sinned, they have lost their innate sense of discernment, the capacity to distinguish between good and evil. So apart from God, we are unable to exercise that judgement successfully. For this reason God gave us the law and the gospel. We need the law to guide us in the right direction. **Likewise, we need the grace of Christ to help us walk with hope and love in that direction.**

REFLECTORS OF GOD

All who have truly repented of sin, and by faith claimed the blood of Christ as their atoning sacrifice, have had pardon entered against their names in the books of heaven; as they have become partakers of the righteousness of Christ, and their characters are found to be in harmony with the law of God, their sins will be blotted out, and they themselves will be accounted worthy of eternal life. The Lord declares, . . . 'I, even I, am he that blotteth out thy transgressions for mine own sake, and will not remember thy sins.' Isaiah 43:25. GC485
