KEY CONCEPTS

Identity shapes our beliefs, our understanding of history and also our own sense of being. After his experience on the road to Damascus, Paul's identity is anchored in his divine call to follow Jesus and be an apostle of Jesus. Paul's identity is rooted in three things: the experience of his calling, his commissioning by God to proclaim the gospel and the fruits of his apostolic ministry, represented by converts and new churches.

Is America superior to the rest of the world?
“The Lord has done more for the United
States than for any other country upon
which the sun shines.” Maranatha 193

There is no question that God has richly
blessed America BUT with great blessings
comes great responsibility.
