KEY CONCEPTS

In the power of Christlike servanthood Philippians 2:1-8 offers the antidote: Paul urges believers to lay down selfish ambition and look not to their own interests, but to the interests of others. He points to Jesus, who, though equal with the Father, took the form of a servant, humbled Himself, and became obedient to death. That is the true model of unity: sacrificial love. This calls for the church to reject pride and and power plays and pursue humility.

UNWAVERING FAITH

To live by the word of God means the
surrender to Him of the whole life. There
will be felt a continual sense of need and
dependence, a drawing out of the heart after
God. Prayer is a necessity: for it is the life
of the soul. Family prayer, public prayer,
have their place; but it is the secret
communication with God that sustains the
soul life. .

Not a pause for a moment in His presence,
but personal contact with Christ, to sit down
in companionship with Him – this is our
need.
