KEY CONCEPTS

As most biblical authors did, Paul saw idolatry as a very serious sin that stood in opposition to the true worship of God. The issue of worship is central to everyday life questions, as any alliance with idol worship is a rejection of God's rulership and serves as an opening for moral and spiritual perversion. Within this context, Paul enlarges on several themes: Learning from Israel's past, the dangers of idolatry, Christian freedom and responsibility, and living for God's glory.
