

Empowering Families through ADRA's 2026 Easter Campaign. ADRA Canada has launched its 2026 Easter Campaign, *"Together we can be the change."* We respectfully solicit your support. For more information and to donate directly to the following projects go to ADRA.ca/easter

The Focus: From Survival to Stability

This year, we are highlighting the story of Gredisse, a mother of six in Mozambique. Through ADRA's sustainable beekeeping program, Gredisse has moved from simply surviving each season to building lasting stability. As she shares, "Beekeeping has given me more than income. It has given me hope for my family's future."

The Opportunity: Doubling Our Impact

To maximize the generosity of our members, every gift given between now and April 15 will be matched. This is a powerful stewardship opportunity where every dollar contributed does the work of two in supporting global food security and economic empowerment.

Designated Fund Policy Spending of funds is confined to programs and projects approved by the Lacombe Community Church Board. Each restricted contribution designated towards such an approved program or project will be used as designated, with the understanding that when the need for such a program or project has been met or cannot be completed for any reason determined by the Lacombe Community Church and/or the Church Board, the remaining restricted contributions will be re-designated.

VISION STATEMENT:

Through a deeper study of the word of Christ, we become more like Him, enabling us to disciple other and inspire young people to envision their future church.
