We have heard of the catastrophic flash flood which swept through communities in northern Nepal. More than 90,000 people are estimated to have been affected. **ADRA Nepal** is already coordinating with government authorities, local organizations and humanitarian partners. Early reports point to an urgent need for food, temporary shelter, clean water, hygiene supplies and health support. Donations will be directed to the highest-priority needs as access improves and assessments are completed. Please visit ADRA.ca to make your donation.
