Mrs. Sather's Class—5-8th Grade

In PE we worked on Cooperative Games and learning to work with each other and not against. Learned how to play a new dodge ball game. For bible we are learning the books of the New Testament and continuing the build of the Sanctuary. We started new reading books, *Door in the Wall* and *Eric Liddell*, and working on our writing skills with prompts. We had fun playing a memory game about Natural Disasters.

Mrs. Akers' Class—1st-4th Grade

We are learning about how energy is generated and the different sources of energy. For PE we are working on Hockey skills and even played a game this week. We "visited" Carlsbad Caverns this week and learned about the bats that live there. In bible we are learning about the Sermon on the Mount and the beatitudes.

Stepping Stones Classroom

We have dived into our new reading program, UFLI, and everyone is excited. We worked on making '-at' words and seeing how many we could write and recognize. For art we did rainbow paintings and in math finished lesson 11. Our memory verse was Isaiah 7:15. We are working hard on learning our songs for the spring program.

Ms. Trudy's Class—Preschool

This week we talked about keeping our bodies healthy and what that entails. We learned about our 5 senses and did activities with each sense. Dr. Mark Harris was amazing and donated dental care bags for each student. We even had a doctor station set up for checkups on our dolls and stuffies! Next week we will be trying to catch a leprechaun so make sure on Tuesday to wear a lot of green!
