

La Grande Adventist Christian School & Little Friends Preschool

Dear Parents,

April 17th, 2026

Registration is open for the 26-27 school year. If you know of anyone that is looking for quality Christian education, please pass the word! Please take the time to read through the newsletter as the year is winding down and there is a lot of information.

Mrs. Sather's Class—5-8th Grade

In PE we are working on Track & Field in preparation to our Track & Field day. We have been working hard this week on our spring program parts...chimes and a skit. We start MAP testing next week so make sure to get some rest and good food! For art we did some perspective drawing which was a lot of fun.

Mrs. Akers' Class—1st-4th Grade

We learned about Morse code and practiced sending and receiving messages. We are also learning some basic sign language. We learned about the longest cave in the world...Mammoth Cave System in Kentucky. We have been hard at work on our spring program and making great progress.

Stepping Stones Classroom

We are working hard on learning our songs for the spring program and everyone is doing great. We have made it through our math book and making great progress on our reading skills. Our memory verse this week was Proverbs 8:32. We are excited to welcome back Xavier for the rest of the school year!

Ms. Trudy's Class—Preschool

We had a space themed week! Thankfully we have made it back to earth. Art, math, and stations focused on space. We even got to use a star gazing machine to see stars on our bathroom ceiling. We are practicing for the spring program and everyone is making great progress.

Registration for 26/27

Registration is here! We look forward to having you back for next year...even if it is hard to think that we are already talking about 26/27 School Year!

Registration is now open to community members as well. If you

know of someone who is looking for a change or would like to be in a christen environment, we offer pre-school-8th grade, so spread the word!

History Fair

Our History fair is coming up the first week of May! There isn't a lot of time to get those reports and boards done. If your child needs help finding a topic, please let your teacher know! Stay tuned for time!
