

La Grande Adventist Christian School & Little Friends Preschool

May 22nd, 2026

Dear Parents,

Please take the time to read through the newsletter as we only have a week left of school.

Mrs. Sather's Class—5-8th Grade

We learned about the Good Samaritan and the 10 Bridesmaids and the consequences of choices. We are reading through the book *Project Sunlight*. We are wrapping up the end of the school year...last spelling test was today and last math test will be next week! We are playing softball and learning poetry in class. For science we are learning about cells, tissue, and organs. We even dissected chicken wings to get some hands on experience. Kind of gross but cool! We also had fun at our Track & Field Day last week.

Mrs. Akers' Class—1st-4th Grade

We had a lot of fun with Track & Field and getting together with Baker and Enterprise schools. We are working on silly stories and learned about different National Parks on the Atlantic Coast. Working on simple machines and pulleys. We discovered a neat website where you can read patient cases and “perform” surgeries.

Stepping Stones Classroom

We have spent a lot of time outside this week enjoying the sunshine. We released our butterflies and watched them fly around the playground. We enjoyed participating with Track & Field Day and looking forward to our last week of school. Everyone has been hyper and ready for summer break. Having fun catching bugs at recess!

Ms. Trudy's Class—Preschool

We have had just a lot of fun and wrapping up our school year. We will have our class party on Thursday to celebrate the end of this school year. We released our butterflies and a few even landed on us as we let them go! Our letter this week was 'X, Y, & Z'. We made it through the alphabet!!
