

Hello Preschool Families!

Sadly, this will be the final newsletter home from our 2025-26 preschool year. I am so very sad to see our school year winding down to an end but have thoroughly enjoyed getting to know your child and to help them grow and learn new and exciting things! With that said, I hope that you will consider enrolling your child (or referring a friend) for the 2026-27 school year at Little Friends Preschool and Adventist School. Our goal is to fill our classrooms with laughter, love, and a good quality education. If you have not returned your brief questionnaire on your experience in my classroom this year, please take a minute to complete and return to either Mrs. Jones or myself. I will use this information moving forward into future classes.

As one of our projects next week, I am asking parents to send a plain white (or light colored) t-shirt labeled with your child's name to school by Wednesday as we will be decorating them in class. If you are not able to provide one, please let me know and I will supply one for your child.

Our last day of school party will be Thursday, May 28th. If you have signed up for supplies, please send them in prior to Thursday for preparations. We will be playing in the water for the last half hour of our morning so please plan on sending your child to school in shorts that day that can get wet and also a towel for drying off.

I love to recognize birthdays and understand that summer birthdays can be tough sometimes. If your child will be celebrating a summer birthday and you would like to send a special treat to share with the other kiddos, please let me know in advance and I will set time aside for them.

If you have any questions at all, please do not hesitate to reach out to me at any time. Have a safe and wonderful Memorial Day weekend!

Blessings,

Ms. Trudy
