

La Grande Adventist Christian School & Little Friends Preschool

April 24th, 2026

Dear Parents,

Please take the time to read through the newsletter as the year is winding down and there is a lot of information.

Mrs. Sather's Class—5-8th Grade

For bible we learned about the unforgiving servant and how the king forgave him but he didn't forgive his servant and then the consequences that came. We will finish our MAP testing on Monday! Everyone has done well, but we will be glad to be done. We are working hard on our history projects and looking forward to Track & Field Day. We finished the 70s & 80s in social studies.

Mrs. Akers' Class—1st-4th Grade

We had fun working on our program with sign language and the boomwackers. We learned about Congaree National Park in South Carolina. It is unusual as it is a swamp and the trees grow in the water! We learned about trees this week for science and made handprint worlds for Earth Day. Our class had a new 1st grader join this week, Odin, and we are all excited for him to be with us!

Stepping Stones Classroom

We have spent quite a bit of time outside at the beginning of the week. Everyone did so well at the program! We are learning about the lifecycle of the butterfly and watching our own caterpillars grow and change! Our memory verse this week was Isaiah 38:7. We learned about Abraham and Sarah and how their names were changed.

Ms. Trudy's Class—Preschool

This week was all about BUGS! We talked about the different ways they move, read different books about bugs, and our stations focused on bugs. We learned about the letter 'O', the sounds it makes, and how to shape our mouth. We have an exciting event coming up...Mother's Day Cookies and Punch on May 7th.
