

La Grande Adventist Christian School & Little Friends Preschool

September 18th, 2026

Dear Parents,

The weather is changing! We had an amazing thunder storm on Thursday and sunny again on Friday. Please make sure to keep your child home if they are sick or feeling unwell...we don't want to pass the all the germs and sickness around. Thank you!

Mrs. Sather's Class—6th-8th Grade

This year we are looking at the past...we are digging into Bible and History. We learned about geography, Mesopotamia, and how to be a historian this last week. Working on football skills and played capture the flag with the lower grades! We did MAP testing this week and everyone did their best. We will be learning about Elijah in Bible.

Mrs. Akers' Class—1st-5th Grade

We traveled to Fiji this week and learned about the plants and animals that live there. For PE we are starting with juggling skills which is fun. We learned about weight and how it effects balance. In bible we finished learning about creation and played bible jeopardy to reinforce what we learned. It was a lot of fun!

Stepping Stones Classroom

We worked on the letters A, B, C, & D this week. Made crowns, learned the sounds, how to write the letters, and made animals out of the letter. We painted with chalk outside...crushed up chalk and mixed it with shaving cream and water! So much fun and we smelled good too. Our bible story this week was about Zacchaeus.

Ms. Trudy's Class—Preschool

This week we learned about the color red. We are still settling into our classroom routines and getting settled. Definitely have a wiggly high energy class this year and it will be fun to watch them grow!
