

Meet The Teacher

Hello! My name is Ms. Trudy and I am so excited to welcome you into my classroom for the 2026-27 school year! Over the next year, you can expect to learn new and exciting things, meet new friends, and have tons of fun as we develop age appropriate skills.

About me: I love to travel and explore new places whether it is in our r.v. or flying. I embrace travel as an educational tool and especially enjoy visiting historical sites. My favorite place to spend time away from home is with my family and friends boating and camping at Hells Canyon or at our little family cabin in the woods. I enjoy shopping at antique stores, sipping a good cup of coffee on a quiet morning, and waterskiing. My heart has a special place for children and animals. If I am not at school, I can often be found with my two rescue dogs and cat sitting cuddled up in my lap. Most days I run on Diet Pepsi and a whole lot of Jesus.

Best ways to communicate with me: Because I am a firm believer in effective communication, I do not limit my commitment to just school hours. The growth and development of your child is important to me and I will do my best to support each family as we navigate their preschool years together. I will be sending home some information during the schoolwide Open House scheduled September 1 at 6:00 pm which will include my personal contact information as well as upcoming events.

One of my favorite sayings is: "While we try to teach our children about life, our children teach us what life is all about". There's a lot to be said if we truly sit and reflect on this. If only we took time to slow down each day and observe the little things, we could see the joy that each day has to offer. Not only am I a preschool teacher but a student as well because I am taught this lesson everyday by your children. What a blessing it is!

I look forward to getting to know you and your child more this year! ~ Ms. Trudy
