La Grande Adventist Christian School & Little Friends Preschool

October 2nd, 2026

Dear Parents,

October is here! Take the time to enjoy the last of the nice weather while it is here. Before we know it, winter will be here.

Mrs. Sather's Class—6th-8th Grade

We had a good and busy week! We are fostering 4 little kittens in our classroom and getting them used to people. They are a bit distracting at times, but so cute! We had a blast at outdoor school on Thursday. We are going to take advantage of the nice weather and do some soccer skills. We are learning about maple syrup, sap, and how our bodies break down different matter.

Mrs. Akers' Class—1st-5th Grade

We had a lot of fun at outdoor school...the creek was the highlight! We learned how to balance items that aren't centered or weigh the same. We "visited" Japan this week and learned about different types of food, some words in Japanese, and the environment. Mrs. Jones shared pictures and talked about her visit to Okinawa and the things she learned and saw when she was there.

Stepping Stones Classroom

We worked on the letters H, I, & J this week. We made crowns, learned the sounds, and how to write the letters. We have enjoyed playing outside for recess and enjoying the sunshine. We learned about the lame man and how his friends helped lower him through the roof to see Jesus. We earned our classroom party for next week!

Ms. Trudy's Class—Preschool

We learned about the color yellow and created some fun artwork that is yellow. We are learning our classroom jobs and get excited to do our job. We earned a popcorn party this week for joining in circle time and following directions. We will have picture day on Tuesday!
