

Dear Preschool Families,

Here we are, officially through September already. We have had a wonderful week of learning about objects that are the color yellow and creating some adorable artwork located in the hall of the main building. We are finally settling into a routine and excited about doing new jobs as assigned each week. The class earned a popcorn party this week as an incentive for following directions and participating in circletime activities. Next week we will be learning the color green and beginning to work on our numbers.

You will find a permission slip in this week's folder for in school field trips scheduled for later this month. One of our themes will be transportation and to finish the week off, we will get to ride in a dump truck and a grader graciously provided by the county. This is such a highlight for the kids to experience riding in a "big rig". We will also be trying to schedule a tractor/hayride for the Harvest Party on the 29th. In order for your child to participate, we will need signed permission slips to do so.

Tuesday, October 6th is our scheduled day for pictures if you are interested in purchasing them. We will also have a make-up day if your child is not able to be at school that day. Just a side note to keep in mind, these pictures are displayed in our school yearbook available for purchase at the end of the year as well. It is such a great keepsake for your kids to have later to reflect on.

Well, I think I covered everything but if you have any questions, concerns, suggestions or even praise, please don't hesitate to contact me.

Have a blessed weekend!

Ms. Trudy
