Dear Parents,

Oranges are back! Packets went home with your child this week. Let's see if we can get to our goal of 100 boxes sold.

Mrs. Sather's Class—6th-8th Grade

We are still fostering 4 kittens in our classroom and they are growing! We are still working on our soccer skills. We are learning about Elisha. We had so much fun at the pumpkin patch on Monday. We ended our week with a fun RC Car race in the gym. So much fun. We are getting a new student on Monday and are excited to welcome him to class. We are working on poetry for writing.

Mrs. Akers' Class—1st-5th Grade

We "visited" Nepal this week and learned about Mount Everest, along with other tall mountains around the world. The favorite part to learn about was the snow leopard. For science we are working on hanging balances. Frisbee skills are being worked on for PE. We had fun at the pumpkin patch and for writing wrote about the corn maze!

Stepping Stones Classroom

We worked on the letters Q & R this week. We have enjoyed playing outside for recess and enjoying the sunshine. For bible we learned about Elisha. The pumpkin patch was a lot of fun and the weather was great! We have been working on fall crafts involving paint, glue, glitter, and seeds! Math is going well and we got to see a grader and take a ride on it!

Ms. Trudy's Class—Preschool

It was construction week in our classroom! Our color was orange and we learned how to make orange using red and yellow. We got to celebrate our classmate turning 4! What a big milestone. Our number was '3' and we finished off this week getting to ride in a road grader and dump truck! So exciting and they were huge!!
