The Finance Committee as we close the 2024-2025 school year and get ready for the 2025-2026 school year, we ask that you help fund the EOTF school scholarship fund for our non-Adventist students. We will need approximately **\$2000.00 per month** to help these students starting in July. Also, our church subsidy is **increasing to \$5,844** which is part of our Combined Budget. Your prayerful consideration to these two funds is gratefully appreciated.

ON GOING FUNDRAISER for Westlake School’s PFE program. The school will continue collecting CRV cans and bottles to raise money to help support this program. It’s been very successful, but we need your continued contribution. Please gather your CRV cans and bottles in large plastic garbage bags. **KEEP THE LIDS ON PLEASE.**
