

O beautiful for spacious skies for amber waves of grain
For purple mountain majesties above the fruited plain!

America! America! God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea. (repeat)

*We have asked for blessings from the Father's rich supply
Assuming He would answer as if it is our right.
We sung "God Bless America" believing He is there.
But now it's time to pray this simple prayer:*

*(Chorus) America, bless God for His mercy.
Thank God we've been guided by His hand.
America, Bless God for His goodness.
Pray God He'll be honored in our land.*

*Let our hunger to know Him
Sweep our hearts and never stop.
Oh America, America, bless God. (repeat)*

*We've seen His protection with security we've known
But then, without His blessing, we're nothing on our own.
For God has blessed America time and time again.
It's time to dedicate our lives to Him. (Chorus)*

**I live in the land of the free, the home of the saved,
Secure in the blessings of mercy, sweet mercy and grace.
I see by the dawn's early light, where He suffered and died,
On an old rugged cross meant for me.
Now I live, now I live, in the land of the free.
Now I live, now I live, in the land of the free!**
