Meditation Quote

“Prayer is the answer to every problem in life. It puts us in tune with Divine Wisdom, which knows how to adjust everything perfectly. So often we do not pray in a certain situation because from our standpoint the outlook is hopeless. But nothing is impossible with God. Nothing so entangled that it cannot be remedied. No human relationship is too strained for God to bring about reconciliation and understanding. No habit is too deeply rooted that it cannot be healed. Whatever we need or desire, if we trust God, He will supply it. If anything is causing worry or anxiety, let us stop rehearsing the difficulty and trust God for healing love and power.”
