PRESERVE
Activities & Events
(new member
discipleship,
nurture & training):

A hand is shown holding a large quantity of small, dark, round objects, which appear to be seeds or beads. The background of the image shows a field of similar objects, suggesting a large harvest or a significant collection. The image is framed within a hexagonal shape.

A hand is shown pouring golden-brown grains, likely wheat or barley, from a burlap sack into a red hexagonal container. The grains are piled high in the container, and the background is a solid red color.
