Note: *Field Trips will be added into the calendar during the school year, as I don't know where we will be going or what dates they are going to be on. This will be communicated with you in advance as plans are made. Also, big events will be communicated to you all in advance. Please take a close look at the major events and feel free to contact me in advance with any questions you may have, that way we are all on the same page. All students are encouraged to be participants of all events and activities throughout the school year while enrolled at Adobe Adventist Christian School. If they are not able to participate, please let me know in advance. Anything involving music is a graded activity. I will try to be flexible and understanding. Thank you for your cooperation.*
