Students are welcome to choose pencils, pencil boxes, personal journals, and other supplies with designs that reflect their interests and personality. We simply ask that the supplies not display offensive graphics.

A classroom binder will be provided for each student (*no need to purchase one*) and will be an important part of our daily classroom routine. It will travel between school and home each day and will include daily reading logs, assignments, student work, and other materials to help students stay organized and support learning throughout the year. More information about our binder system will be shared during Orientation Night.

Please label your child's supplies with their name or initials whenever possible. This helps us identify and return misplaced items throughout the school year.

If you have any questions, please feel free to call or text me at 828-551-8372.

I look forward to a wonderful school year!
