SMART PHONE/GABB PHONE & SMART WATCH/GABB WATCH AGREEMENT

Consideration should be given for all electronic devices to be left at home, but if they do come to school the following policy is in place.

Students with Smart phone/Gabb phone or Smart watch/Gabb watch must abide by the following:

1. Students with a Smart phone/Gabb phone or Smart watch/Gabb watch, or any other electronic device capable of texting or messaging must turn it in to their teacher every morning upon arrival. The teacher will keep the device during the day and give it back to the student upon dismissal.
2. Students will not be on their phone or watch at dismissal time unless specifically given permission to do so by the teacher and/or principal, or they are inside their vehicle.
3. Phones and Smart watches must also be given to the teacher on field trip days and will be returned at the end of the school day.

4. Phone and Smart watch violation consequences are as follows:

A. First infraction: The electronic device will be taken and returned to the parent at the end of the school day.

B. Second infraction: The electronic device will be returned to the parent and the student will not be allowed to bring it to school for a period of one week.

C. Third infraction: The student will not be allowed to bring the electronic device to school for the remainder of the school year.

These rules are needed to ensure the learning environment is protected from disruption and for the privacy of other students.
