## Week 5: Goldmines of Grace! ✨🏺

By Pastor Cory

**Today's Big Idea:** Jesus doesn't throw away broken people. He fills our brokenness with GOLD — and then He sends us to help other hurting people find Him too!

### 1. The Broken Pot 🏺

Pastor Cory broke a pot today! Sometimes bad things happen to us, and sometimes WE do bad things. Either way, we end up feeling like that pot — shattered into little pieces.

The devil whispers the LIE: "You're broken. You're useless. God can't use you anymore."

**But God says: YOU ARE NEVER TOO BROKEN!**

**Circle the answer:** Who can put your broken pieces back together?

- A) Me, by trying really hard    B) Nobody — I'm stuck    C) Jesus, the Master Potter

### 2. Cracks of Gold! ✨

In a country called Japan, people fix broken bowls in a really cool way. Instead of throwing the bowl away, they glue the pieces back together — with REAL GOLD! It's called Kintsugi (say it: KIN-tsoo-gee).

The cracks don't disappear. They SHINE. And the bowl becomes more beautiful and more valuable than before it broke.

**That's what Jesus does with us.** He doesn't hide our hurts. He fills our cracks with His grace!

**Fill in the blanks!** Jesus fills our brokenness with His G \_\_\_ A \_\_\_ E.

### 3. Three Broken Friends! 🤝

We learned about three people in the Bible who Jesus put back together. They were all broken in different ways — but Jesus fixed every one of them, and then SENT them to help others!

**Match the column! Draw a line from each person to what Jesus told them to do.**

**Who was healed?**

The man in the tombs (Mark 5)

Peter (after he denied Jesus 3 times)

The woman who washed Jesus' feet

**What did Jesus send them to do?**

"Feed My sheep."

Love much, because she was forgiven much.

"Go home and tell what great things the Lord has done for you."

## 4. Your Goldmine of Grace!

Pastor Cory told us about a man named Michael. Michael's dad walked out when he was a kid, and it really hurt. But Jesus healed Michael's heart.

Years later, an angry kid was getting in trouble at church. Everyone wanted to yell at him. But Michael sat down next to that kid and said:

*"My dad left me too. I know exactly how much that hurts. Let me show you what Jesus did for me."*

**Michael used his GOLD Grace to help someone with the same brokenness.** That's what God wants to do through YOU!

**Check the box! Which one is what Jesus wants us to do with our healed scars?**

- Hide them so no one ever sees them.
- Pretend I never had any cracks at all.
- Show them to someone who is hurting and point them to Jesus.
- Brag about how strong I am now.

## **Memory Verse for the Week**

*"Go home to your friends, and \_\_\_\_\_ them what great things the \_\_\_\_\_ has done for you, and how He has had \_\_\_\_\_ on you."*

— Mark 5:19 (NKJV)
