Week 3: We Are Rescue Boats!

Today's Big Idea: God saved us so we can go back out and help others!

1. Two Kinds of Boats

A **CRUISE SHIP** is all about comfort. A **RESCUE BOAT** is all about finding the one who is drowning. Which one does Jesus want His church to be?

Circle the right answer:

CRUISE SHIP

RESCUE BOAT

2. Jesus Crossed the Storm

A huge storm hit the disciples' boat. Jesus woke up and said:

"_____, be _____!" — Mark 4:39

On the other shore was a man alone, hurting, and in terrible trouble. Jesus healed him completely — then sent him back with a job:

"Go _____ to your _____, and tell them what great things the Lord has done for you." — Mark 5:19

We are not saved to sit in the boat. We are saved to go _____.

3. God Chases the 1

God is absolutely _____ with the one who is missing. Jesus told this story:

"What man of you, having a hundred sheep, if he loses _____ of them, does not leave the _____ in the

wilderness, and go after the _____ which is lost until he finds it?" — Luke 15:4

Circle YES or NO:

The shepherd left the 99 to find the 1. **YES / NO**

God gives up on people who walk away. **YES / NO**

4. The Empty Chair

A welcoming church doesn't happen by _____. We have to be on purpose about it.

Every Life Group has an EMPTY CHAIR — a reminder that there is always room for one more. Think of one person in your life who needs a friend.

I am holding a chair for: _____

Check the box — which ones help rescue someone?

- ☐ Sit with someone who is eating alone
- ☐ Tell them your group is full
- ☐ Say "I saved you a seat!"
- ☐ Ignore them because they seem weird
- ☐ Invite them to come with you

Memory Verse

"Go home to your friends, and tell them what _____ things the Lord has done for you, and how He has had _____ on you." — Mark 5:19 (NKJV)
