

MASTER TEACHER KIDS!

Teaching Like the Master!

Pastor Cory

Today's Big Idea: Jesus is the BEST teacher there ever was, and He teaches us by getting close, being patient, using everyday things, and believing in who we can become!

1. Getting Close! 🤗

Jesus and His friends were SO tired, He said let's go rest! But a huge crowd was waiting for them anyway. Instead of getting mad, Jesus felt sorry for them FIRST — and then He taught them.

Fill in the blank — “...saw a great multitude and was moved with c _____ for them...”

(Mark 6:34)

2. Little by Little! 🌱

Jesus said God's Kingdom grows like a tiny seed planted in the ground. You can't see it growing every second, but if you wait and take care of it, it grows anyway!

Circle one: Does a planted seed grow ALL AT ONCE, or LITTLE BY LITTLE?

3. Everyday Things, Big Lessons! 🐑

Jesus used everyday things to teach big lessons about God — seeds, coins, sheep, and more! Draw a line to match each thing to what it teaches us:

A Lost Sheep 	God never gives up looking for us
A Lost Coin 	Heaven celebrates when one person is found
A Tiny Seed 	Faith starts small and grows

4. Seeing the Best in You! ✨

Zacchaeus climbed a tree because everyone thought he was just a cheater nobody should like. But Jesus looked up and saw someone worth loving — and invited Himself to dinner!

Check the box — What did Jesus see when He looked at Zacchaeus?

- ☐ A thief people should ignore
- ☐ A person worth loving, made in God's image

Memory Verse for the Week

“For by g_____ you have been saved through faith, and that not of yourselves; it is the gift of God.”

Ephesians 2:8, NKJV

My Prayer for My Teachers:

Dear Jesus, thank You for being the very best Teacher ever. Thank You for the teachers at the school that love the kids and help them learn. Thank you that they care about our salvation. Help me to be patient like You, kind like You, and to notice the good things You are still growing in me — even when I can't see it yet. Help me say thank you to a teacher this week. In Jesus' name, Amen.
