Spirit of Prophecy

These words call for earnest thought. They mean more than many suppose. Being lights in the world means that we must open our mind to receive Christ who is the Light of the world; we must have the mind of Christ. It is a precious privilege to have light, to know Christ by personal experience, and to walk humbly before God. Said Christ, the great Teacher, to His hearers, "Walk while ye have the light, lest darkness come upon you...While ye have the light, believe in the light, that ye may be the children of the light." [John 12:35, 36.] 12LtMs, Ms 90, 1897, par. 2-3
