10 Days of Prayer

Joining the Movement – A Praying Church Unleashed

Montgomery First Seventh-day Adventist Church joyfully joins the worldwide 10 Days of Prayer – Unleashed! movement as we begin the year united in faith, humility, and expectation. Along with Adventist churches across the globe, we are intentionally setting aside time to seek God's presence, surrender our hearts, and invite the Holy Spirit to move powerfully among us.

From January 7-17, 2026, we will gather each evening at 7:00 PM on Zoom as one church family, lifting our voices together in prayer and intercession. This is more than a program—it is a call to become a praying church. As we seek God day by day, we believe He will awaken hearts, restore hope, and strengthen our mission.

Our prayer is that Montgomery First will not only be transformed internally, but that our surrounding community will experience the power of a praying church—a church filled with compassion, guided by the Holy Spirit, and unleashed for service.

Evangelism 2026

Coming Soon – A Move of God in 2026
Something powerful is on the horizon at Montgomery First SDA Church. In 2026, we will launch a new Evangelism Campaign with one clear purpose—to lift up Jesus, share hope, and invite our community into a life-changing encounter with God. This upcoming season will be a time of prayer, preparation, and expectation as we seek the Holy Spirit's leading and believe God will move in extraordinary ways.

Now is the time to begin praying, inviting, and preparing our hearts. More details are coming soon—but one thing is certain: God is at work, and we invite you to be part of what He is about to do. Stay connected, stay prayerful, and get ready for a powerful move of God in 2026.

Health Ministries New Year Message – Whole Health for a New Year

As we step into this new year, the Health Ministries team invites our church family to embrace God's desire for total well-being—health that nurtures both the spirit and the body. The New Year is a time of renewal, and Scripture reminds us that our bodies are temples of the Holy Spirit, called to honor God in how we live, eat, rest, and care for ourselves. As we grow spiritually through prayer and the study of God's Word, let us also commit to practical habits that promote strength, balance, and vitality for service. Looking ahead, we are excited to announce that Powered-Up Potluck will begin in February, taking place every third Sabbath immediately following Sabbath Worship. This gathering will be a time of fellowship, nutritious plant-forward foods, and encouragement as we learn together how healthy choices can energize our lives and our ministry. Join us this year as we move forward—healthy in faith, healthy in body, and fully equipped to serve God and our community.
