

ANNOUNCEMENTS

Membership transfer: This is the first reading of membership transfer for Stacey & Rick Christianson. Stacey Christianson is transferring from the College Heights SDA Church and Rick Christianson is transferring from the Alberta Conference Church. Next week will be the second reading and then we will vote.

Delegates: Every five years the Manitoba-Saskatchewan Conference has meetings to vote on senior positions in the conference office, changes to the constitution, and to receive direction from the church membership. Our church can send three delegates who will have voting privileges. The church board has recommended the following:

1. To send Joseph Haleli, Albert & Melanie Chernipeski as our delegates.
 2. That Joseph Haleli and Melanie Chernipeski, be our recommendation for the nominating committee.
 3. That our alternates would be 1. William Ennest 2. Kirk Norine 3. Nikki Norine.
- This is the first reading. Next week will be the second reading and then we will vote.

Fellowship Dinner: Today we are having an extra fellowship dinner to celebrate the baptism. Our regular fellowship dinner is the second Sabbath of every month. Our next regular fellowship dinner is November 14.

Children's Sabbath: October 31 is our next Children's Sabbath. On this week our children will be doing most of the church service including the sermon time. Please invite children you know to come join in this special Sabbath.

Donation Information: The faithfulness of all of our members is greatly appreciated as we spread the Gospel message of hope. In Canada we get the reciprocal blessing of receiving a charitable donations receipt that can be used to reduce our income taxes. From time to time your charitable donations claims may be audited by CRA. To better prepare for such a possibility, please ensure that there is a clear paper trail for any donations given.

* Whenever possible, please use a cheque if you are giving in person or give online using on-line giving.

* If you do make donations in cash, please take the exact amount out of the bank as a separate withdrawal that you are putting in an envelope. Ideally, this would be done as close to the offering date as possible.

* CRA auditors have been asking for this additional step for cash donations before allowing the charitable donations claim to stand. They have the ability to deny that deduction if they are not 100% confident where the money came from. For those who are more comfortable giving cash, please take this additional step to help protect this valuable tax break.

If you have any questions about donations to the church, please speak to our treasurer, Janet Lalonde.

Save the Date: Youth Rally in Saskatoon on November 6-8. More information coming.
