ANNOUNCEMENTS

Fellowship Dinner: Next Sabbath, November 14, is our regular fellowship dinner. Please bring food and plan to stay and fellowship together.

Donation Information: The faithfulness of all of our members is greatly appreciated as we spread the Gospel message of hope. In Canada we get the reciprocal blessing of receiving a charitable donations receipt that can be used to reduce our income taxes. From time to time your charitable donations claims may be audited by CRA. To better prepare for such a possibility, please ensure that there is a clear paper trail for any donations given.

* Whenever possible, please use a cheque if you are giving in person or give online using on-line giving.

* If you do make donations in cash, please take the exact amount out of the bank as a separate withdrawal that you are putting in an envelope. Ideally, this would be done as close to the offering date as possible.

* CRA auditors have been asking for this additional step for cash donations before allowing the charitable donations claim to stand. They have the ability to deny that deduction if they are not 100% confident where the money came from. For those who are more comfortable giving cash, please take this additional step to help protect this valuable tax break.

If you have any questions about donations to the church, please speak to our treasurer, Janet Lalonde.

Church Building improvements: We have almost raised the money to pay for the stain glass window repair and the new lights for the platform. We only need to raise another $500 to complete this project. Donations can be put in a tithe envelope marked “building improvement” or you can designate it in the online giving website.

Free Classes: Every Monday afternoon until the end of November there will be a class on canning foods held in the church basement. This class is sponsored by Metis Society. Everyone is welcome to attend; however, you need to preregister. To register call Carrie at 639-318-8043.
