Potluck Schedule

February 14	Desiree Magnant
February 21	Kitty Ratzlaff

Announcements

Potluck today is hosted by the Pastor's Sabbath School class. Join us for good food and great fellowship!

Work Bees: If you want to help renovate the community center, here is your chance. Work bees are planned every Sunday until this phase is completed. Start time will be 9 AM; come any Sunday — or every Sunday!

Talk with the Doc: Community Health Series: Join us for two upcoming Talk with the Doc events with Dr. Gerard McLane. Each event includes an informative lecture, fellowship, and a question-and-answer session:

—Sabbath, February 14, 2026, at 2 pm. Topic: Prevention of Cancer and Cancer-Fighting Foods

—Sabbath, February 21, 2026, at 2 pm. Topic: Understand the 15 lifestyle factors to maximize your brain health.

Both events will be at the community center. RSVP is not required, but it is helpful to know approximately how many plan to come. For more information, call the church office at 828-667-3640.

Mission Trips: Every four years the entire student body of MPA goes on a spring mission trip. This year, students will travel to two places in Honduras; Cuba, AL; the Dominican Republic; and Asheville. Eleven students who are members of MPAC will be participating. You can support with a direct donation to the school for a specific student or support all the MPA Church students through Adventist Giving or a tithe envelope. If every attending church member donated the equivalent of two fast-food meals (\$20), we could raise \$2,000 easily. You would never miss it, and it would really help the kids!

New home for old hymnals: The church recently replaced many of its 40-year-old SDA Hymnals. The old hymnals are stacked in the hall at the rear of the church, with no future in sight since they are too heavy to mail. You are welcome to take one home. If you have another idea for disposing of them, please talk with Warren Ruf.

A Depression & Anxiety Recovery Program, offered by Nedley Health, will soon be presented here by Kathy Brannan & Jane Ruf. The emphasis is on lifestyle therapy which, in many instances for depression and/or anxiety, is more effective than medication. It offers excellent practical information to anyone wishing for optimal mental health. **A free introductory session** will be held Tuesday, February 24, at 6 pm. There you can learn more about the program and register if desired. The **full 8-week program** will be held at 6 pm on Tuesdays from March 10-April 28. All sessions will be in the Community Center and will begin with a light soup and salad supper.
