New Pathfinder Lodge - Construction is Moving Forward!

We're excited to share a major update: on Sunday, May 17, the Southern New England Conference Executive Committee voted to move forward with construction of the new Pathfinder Lodge at Camp Winnekeag this fall. This isn't just a building project—it's an investment in ministry for years to come. The new Pathfinder Lodge is designed to serve campers, schools, families, churches, retreat groups, community outreach, and conference ministries across our territory. With updated accommodations, improved accessibility, and more space for spiritual growth and fellowship, this lodge will help expand what God is doing through Camp Winnekeag—year-round.
